

Team Toscanos is so excited to welcome you back to our dining room as of Tuesday, June 9! We have been preparing for this moment for weeks to ensure our Team and Guests have the safest experience possible, while still providing the Toscanos experience our community has come to know and love. ***To start, we will be open Tuesday through Saturday from 3-8pm and feature happy hour from 3-5pm daily!***

While we have far more detailed plans in place with our safe-start to align with local regulations, we wanted to highlight a few elements:

Reservations & Calling Ahead | Highly Recommended

- With limited capacity we are going to do the best we can to accommodate all diners and make the experience hassle free.
- Our patio will be open as weather permits, as always, patio seating will be on a first come, first served basis.

Safety & Sanitation

- Our Team is being screened daily prior to starting work and has undergone training to ensure they understand the appropriate procedures including wearing masks in the restaurant.
- Additional cleaning & sanitization processes have been implemented and high contact surfaces are sanitized at regular intervals.

Curbside Still Available

- While we are incredibly excited to welcome Guests back to our dining room, we recognize that not all of our Guests are ready to rush back to in-restaurant dining. We will continue our curbside program in order to accommodate all of our Guests.

However you choose to dine, we thank you for being a part of the Toscanos family and look forward to continuing to serve you!

TEAM TOSCANOS
